Harbor City Music Company Show Chorus is an a cappella women's singing organization with a unique way of giving the "gift of song" from the heart making any event extraordinarily memorable. Whether it's singing for an audience of 50,000 people or a small setting of 10, we can accommodate your special afternoon or evening with a full chorus, small group, double quartet or quartet. This energized ensemble will entertain you with a mixture of exciting songs from the '40's to the '90's including: pop, blues, jazz, show tunes and classics.

Women from all over the region join together to sing with this dedicated, talented group. HCMC rehearses Wednesday nights at 7pm at the Chesapeake Center for the Creative Arts in Brooklyn, Maryland. HCMC recently won first place, mid-size chorus at the Sweet Adelines International Regional Competition in Ocean City.
